

# MHRI-GHUCCTS Monthly Statistical Seminar Series 2025-2026

Friday, May 15, 2026  
12 - 1 PM EST | Online

## Longitudinal Data Analysis

In this session, we will consider methods for analyzing data obtained from the same cohort of patients over a given time period, i.e., repeated measures. We will look at repeated measures of continuous outcomes and categorical outcomes.

### Paul Kolm, PhD

Associate Director, Center for Biostatistics, Informatics, & Data Science (CBIDS), MedStar Health Research Institute
