

MHRI-GHUCCTS Monthly Statistical Seminar Series 2021-2022

Friday March 18, 2022
12 - 1 PM EST | Online

Time Series Analysis

Times series has typically been the analysis of choice in economic studies, but rarely used in medical research studies. In this session, we will look at several medical research areas where times series would be the method of choice and how to build a time series model.

Paul Kolm, PhD

Associate Director, Department of Biostatistics and
Biomedical Informatics, MedStar Health Research Institute
